## ABOUT THE UNIVERSITY

Gokul Foundation Trust was established on 17<sup>th</sup> August, 2009 with a pious spirit of service-only to the society at large in view of career development of aspirants. Professionally, keeping pace with global standards for higher education and industry of next century with an aim that education-only can play the most significant roles in realizing these dreams, are core motives of Shri Balwantsinh C. Rajput.

The traditional to professional fields of studies in disciplines of Engineering & Technology, Nursing, Paramedical, Commerce & Management, Science, Law, Arts, Ayurveda, Homeopathy, Pharmacy, Hotel Management, Humanities and Social Sciences, Computer Science & Applications, Skill & Vocational Development studies are crystal clear aims of the knowledge creator and nurture center named as Gokul Foundation Trust. This charitable trust bears its key responsibilities to impart, facilitate and manage educational institutions for raising the standards of living. Legislative assembly at government of Gujarat on March 23, 2018 has passed Gokul Global University as State Private University vide act no. 4 of 2018, it is popularly governing various faculties for research, post graduate, graduate and diploma courses and programs, and certification approved by professional councils, recognized by UGC and MHRD, the Government of India under the aegis of Gokul Foundation Trust.

The multi - disciplinary state private University offers career oriented programs at all levels i.e. UG, PG and Doctoral degrees across diverse streams, namely, Engineering, Law, Commerce, Nursing, Paramedical, Ayurveda, Science, Arts, Humanities & Social Sciences, Physiotherapy, ITI Learning in GGU is not just about books and classrooms but also about overall personality development and honing special skills. It provides an environment conducive to teaching and learning adequately supported by innovative academic and research programs and practices. The University campus is well developed having all the latest facilities and modern amenities to support high quality education. The academic blocks are well equipped with fully furnished lecture halls, tutorial rooms, computer Center, labs, library, seminar rooms, conference halls, etc. to facilitate conduct of courses in a befitting manner. The campus has facilities like hostels, canteen, cafe coffee day, stationery shop, medical room, transport and student activity center. A skill development center has been established with appropriately designed labs and class rooms for effective teaching and hands on practice. The University has all round vigil and security, and the main gate is manned by security staff to facilitate the visitors to reach their desired spots in the university. GGU has excellent sports facilities both for outdoor and indoor games to help students attain the physical fitness and overall personality development .

## VISION

Consummate growth of the society through excellence in education, research and extension with building a generation of highly employable, entrepreneurial and socially responsible global citizens.

## MISSION

To emphasize on a round development of students aiming at producing not only capable and competent professionals, but also good individuals with inculcation of human values, sense of belonging and sense of responsibility .

Welcome to the world of Gokul Global University! My heart is full of pleasure and pride as I have witnessed the metamorphic academic and cultural progress made at Gokul Educational Campus now enacted as Gokul Global University. The state-of-art campus is situated on the bank of sacred river Saraswati (Vidyadevi) at world famous Matrugaya City, Sidhpur, Gujarat.

At Gokul Global University, a world of opportunities beckons you and a sense of possibility fills the air as you step into the vibrant campus. Gokul Global University is all about student success in education and in life. We offer diploma, undergraduate, postgraduate and research programmes in various discipline like Medical (Ayurveda & Homeopathy), Nursing, Pharmacy, Physiotherapy, Engineering, Law, Paramedical, Vocational and many more with a focus on subject's knowledge acquisition but also towards the development of crucial competencies such as digital literacy, collaborative skills, critical thinking skills and research acumen. The placements and self employment accomplishments of our alumni in various organizations in India and abroad are a true reflection of our teachings.

An open and conducive learning environment coupled by modern state of art infrastructure and excellent academic support systems has ensured student admissions from across the country and abroad. Continuous all round participation and active engagement in co-curricular and extra-curricular activities in campus and community out-reach activities in surround community areas enhance our student's world perceptive and engagements. Regular academic curriculum up-gradations, timely & scientific assessments, National/International conferences, seminars, workshops & annual convocations are some of the academic quality benchmark of Gokul Global University.

## FROM PRESIDENT DESK

**Shri Balwantsinh C. Rajput**

Chairman- Gokul Foundation  
President - Gokul Global University

**Shri Dharmendrasinh B. Rajput**  
Trustee

In the modern Era of competitive world, Gokul Global University has earned its name in the field of education through excellence and high class professionalism.

As a Higher Education Institute with its prime focus on serving the entire community, we consider our students as our key assets. Aiming to unlock the unlimited potential of the students, we want to transform them into global corporate citizens by infusing a strong sense of professionalism, readiness and corporate social responsibility.

As a trustee, I assure to all stakeholders that we will maintain the standards for quality education that helps you to serve society in better way.

**DR. SUNIL JOSHI**  
Provost

Dear students and parents,

Gokul Global University is committed to bring professional education to the doorstep of the students belonging to the deprived community of the region. We are one of the best University in North Gujarat to have started learning through innovation.

We are taking care of all round personality development leading towards excellent career by paying personal attention to every individual student. Mentoring of students by teachers of their respective departments is one of the main features of the university. The university has created an eco-system for promotion of research culture and innovative learning in the campus.

I wish to see my all students the great leaders of the nation in every field.

**Shri Arjunsinh B. Rajput**  
Trustee

We at Gokul Global University believe that education should be a life transforming event and not just to improve the standard of living but to improve the standard of Life. I strongly believe that after successfully graduated from our institution students become more efficient to serve our society. The students have an opportunity to achieve entrepreneurial mind-set, high order interpersonal and cognitive skills and an opportunity to explore strongly into the subject of their interest.

As a Trustee my wish and goal that our all graduates of Gokul Global University will be the chosen ones for any work opportunity that they want to choose.

**DR. HIMMATSINH RAJPUT**  
Registrar

Dear students

I am glad to share that The University is contributing immensely to qualitative improvement in the level of education, environment and economy of this region. The university contributes significantly to the multidimensional growth and development in general and holistic development of the students in particular.

The students and faculty members, I assure you best academic, administrative and research atmosphere in our campus.
