GGU has excellent sports facilities both for outdoor and indoor games to help students attain the physical fitness and overall personality development .

VISION

- Consummate growth of the society through excellence in education, research and extension with building a generation of highly employable, entrepreneurial and socially responsible global citizens.

MISSION

- To emphasize on a round development of students aiming at producing not only capable and competent professionals, but also good individuals with inculcation of human values, sense of belonging and sense of responsibility .

FROM THE DESK OF PRESIDENT

My heart is full of pleasure and pride as I perceive the progress being made at Gokul Educational Campus now turned into Gokul Global University. If I feel satisfied that our university (vishwavidyalaya) situated on the bank of river Saraswati (Vidyadevi) at world famous Matrugaya city Sidhpur, has taken the firm root and the campus is now grown as sturdy banyan tree with different branches widespread land for which the seeds of an idea were shown in year 2009.

I extend my warm wishes to one and all who have worked for the progress of the campus and still creating a road towards excellence . My dream has come true when thousands of students are striving hard for their best career and leaving the campus with best opportunities and number of ideas to become an entrepreneur.

The university will play an important role to shape the students with the highest caliber for the global education culture by providing center of excellence incubation center at the doorstep.

Shri Balwantsinh C. Rajput
Chairman- Gokul Foundation
President - Gokul Global University
