

**GOKUL GLOBAL UNIVERSITY**  
**FACULTY OF SCIENCE**

**PROCESS FOR ADMISSION IN B. SC. AND M. SC. PROGRAMMES IN FACULTY OF SCIENCE**

1. Students having passed 12<sup>th</sup> Science examination either from state or central board in 10+2 pattern are eligible to get admission in B. Sc. Semester 1 in Gokul Science College, Faculty of Science, Gokul Global University.
2. The students are asked to fill up the application form and required to attach all the necessary documents including a copy of S.S.C. mark sheet, S. S. C. passing certificate, H. Sc. mark sheet, School Leaving Certificate, caste certificate (if applicable) etc.
3. A merit list shall be prepared as and when required so as to admit the students in Bachelor of Science programme.
4. After completing the necessary procedure, the students are asked to pay their fees to confirm the admission in B. Sc. Sem 1.
5. Students having passed their diploma (three year programme) in Agriculture, Diploma in Engineering etc. are eligible to get admission directly in third semester of Bachelor of Science programme. For this, the students would be first provisionally admitted and after fulfillment of requirements, they are considered eligible to get the admission.
6. Students studying in similar level course in other universities are eligible to get admission in Gokul Global University in subsequent semester through lateral entry. For this, subject mapping of student's previous university with Gokul Global University is done. If the courses are matching more than 75%, the students are allowed to take admission in up to fifth semester of Bachelor of Science programme in Gokul Global University.
7. Similar process is carried out for the admission in various specializations of Master of Science programmes under Faculty of Science.
8. While doing the process, due attention is given to the government policies and recommendations for the students falling in various categories from time to time.

9. For M. Sc. programmes, students studying in similar level course in other universities are eligible to get admission in Gokul Global University in subsequent semester through lateral entry. For this, subject mapping of student's previous university with Gokul Global University is done. If the courses are matching more than 75%, the students are allowed to take admission in up to third semester of Master of Science programme in Gokul Global University.
