

Prof. Raman Kumar (Dean - Research)

Department: Gokul Advanced Research & Innovation Laboratory

Email ID: dean.research@gokuluniversity.ac.in

Academic Qualifications: Ph.D. in Mechanical Engineering

Research Specialization / Expertise: Decision Analytics and Engineering Optimization, Advanced Manufacturing Processes, Manufacturing Process Parameter Optimisation

Research Metrics & Achievements :

Patents granted - 20+

Design Registration: 05

Publications - 350+ (SCOPUS)

Copyright Registered: 02

Top 2% Worldwide Scientist - 2025 as per Stanford University

World's Top 5% Scientists - 2025 as per SciRank Global
