## ORIENTATION PROGRAMME REPORT

The Orientation programme for the first year students of BBA, BCOM and MCOM students was conducted on 11<sup>th</sup> July 2018 at 10 AM in the seminar hall in the presence of Dr. Ramsinh Rajput, Registrar. Before the session began the parents and students were given a tour of the college campus and were acquainted with the infrastructural facilities provided by the college for a comfortable learning for the students. The session was chaired by Ms. Shivani Raval, Principal, Dr. JP Mishra introduced the students and the parents to the Institution and received an enthusiastic response from everyone present. Ms. Damini Gyanchandani acquainted all the teaching and non-teaching staff to the parents and the students. Following that Ms. Roshni Parajapati gave an orientation regarding the rules and regulations of the college which was followed by explanation of examination rules by Dr. JP Mishra informed the audience about the Student Council activities. Ms Roshni Prajapati introduced everyone to NSS and its activities. Ms Damini familiarized the parents and the students to the PTA and presented the report. Ms Shivani spoke about the importance of physical and mental wellness and enlightened the students about the college and university's mission towards the overall wellbeing of the students through various projects undertaken by the college. Ms. Roshni spoke about the Gokul Global University Alumni Association. This was followed by the Vote of Thanks by Ms. Damini Gyanchandani.

The Orientation concluded with the National Anthem after which the students dispersed along with their parents.

## **Report on Induction program for 1<sup>st</sup> year Students**

Hansaba College of Engineering & Technology, Gokul Global University organized a one week induction program for the fresh entrants to diploma engineering and B.E programs, in line with the AICTE requirements. The objective of this program was to acclimatize the students to the new environment and get the acquainted with the institution culture. The induction program comprised of interesting activities like motivational movie screening and review, talent hunt, social sensitization through poster making, team building activities, expert lectures, and debate and campus orientation sessions. The rationale for induction was to ensure a smooth transition for the students into the university system.

A total of 150 students participated in this program which was conducted from 7<sup>th</sup>-18<sup>th</sup> August 2023. Faculty and student volunteers from across programs worked extensively to ensure that the induction was well organized. The following report includes the schedule and brief notes on the various events conducted as part of the induction program.

## INTRODUCTION

Hansaba College of Engineering & Technology, Gokul Global University organized a one week induction program for the freshentrants to diploma engineering and B.Tech programs, in line with the AICTE requirements. The objective of this program was to acclimatize the students to the new environment and get themacquaintedwiththeinstitutionculture.Theinductionprogramcomprisedofinteresting activities like motivational movie screening and review, talent hunt, social sensitization through poster making, team building activities, expert lectures, and debate and campus orientation sessions. The rationale for induction was to ensure a smooth transition for the students into the university system.

A total of 250 students participated in this program which was conducted from16<sup>st</sup>-30<sup>nd</sup> September 2021.Faculty and student volunteers from across programs worked extensively to ensure that the induction was well organized. The following report includes the schedule and brief notes on the various events conducted as part of the induction program.

## EVENT DETAILS

### Debate

Debate Event was conducted on 20 Sep. 2021 from 10.00 am to 12.30 pm, as a part of one week's induction Program. The event was conceptualized with a two fold purpose of providing the students a stage to intermingle and break the ice as well as to find a platform to express themselves effectively and persuasively. A total of 250 students participated enthusiastically in the event, and 20 were selected winners.

**Challenges Faced:** Debates are usually considered popular amongst student fraternity and the organizers were positive about the enthusiastic response. Still when it came to designing a framework for the debate activity the following concerns posed a challenge:

**Number of Participants:** Total 250 students were to participate in the debate and it was to be ensure that all of the were participating at some level.

**Time Constraints:** Time allocated for the event was restricted to two and a half hours within which the activity had to be effectively wrapped up.

**Limited Infrastructure availability:** A total of six large classrooms were assigned to accommodate 250 students which meant each classroom had around 100 students ,which were to participate at some level in debate.

**Debate Framework and rules:** To effectively meet these challenges and ensure complete inclusiveness of the students the following framework was designed and implemented:

**Round 1** involved a 45-minute group discussion:

Students were divided into groups of 20-25 (6 groups), further divided into subgroups.

Each subgroup tackled allocated topics, either in favor or against, after 15 minutes of brainstorming using their phones.

A 25-minute discussion ensued within each subgroup.

Following this, each group selected two representatives from each side (for and against) to proceed to the next round, noting down key arguments.

Maintaining decorum was essential, with undisciplined groups risking elimination from subsequent rounds.

**Round 2**, the Exposition Round, lasted 60 minutes:

Candidates had 5 minutes to speak, exceeding which resulted in negative marking.

Body language and paralinguistic cues carried separate marks.

The last minute was reserved for summarizing without introducing new arguments.

A bell signaled when four minutes were up.

Failure to summarize incurred negative marking.

Decorum and language propriety were emphasized, with aggression or insults leading to elimination.

Judges held the authority to eliminate based on inappropriate behavior.

**Round 3**, the Rebuttal Round, spanned 20 minutes:

Candidates chose opponents for questioning.

Each candidate had one question and provided a defense to a question asked by their opponent.

Derogatory or obscene questions risked cancellation and elimination of the candidate.

**Round 4**, the Judges Question Round, lasted 20 minutes:

Judges had the chance to pose one or two questions to candidates.

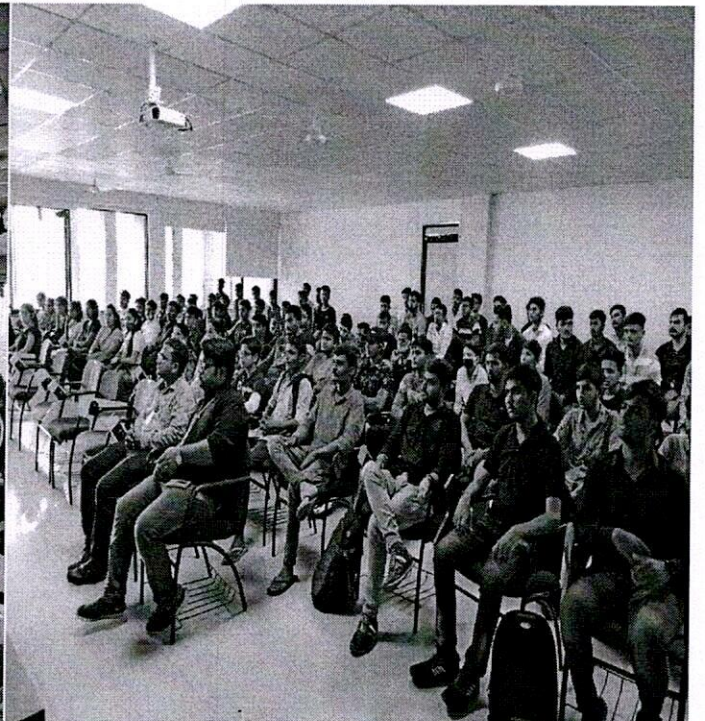

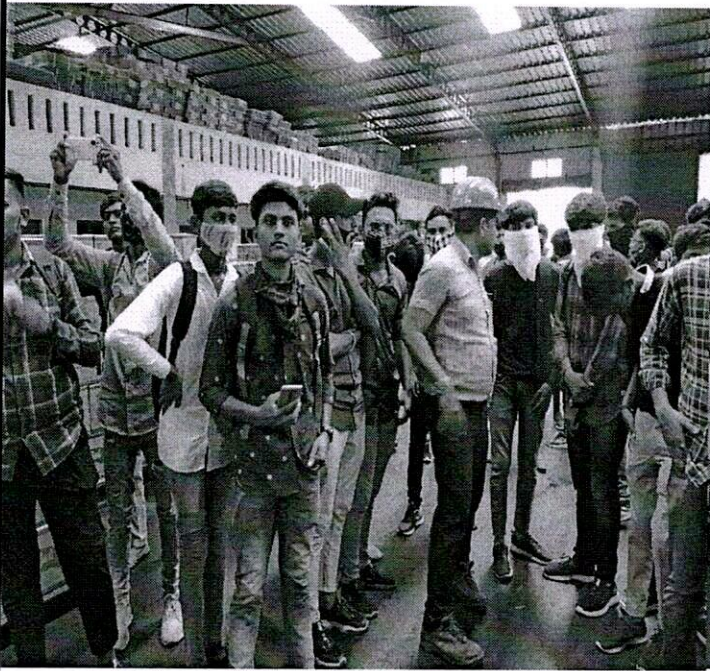

Candidates were given 30 seconds for contemplation before answering, overshooting which incurred negative marking.

The debate concluded at 12:30 pm after announcing winners across first, second, and third positions from candidates supporting and opposing various topics like euthanasia, public transport, India's tolerance, AI, Android vs. iOS, capital punishment, education system, and marijuana legalization.

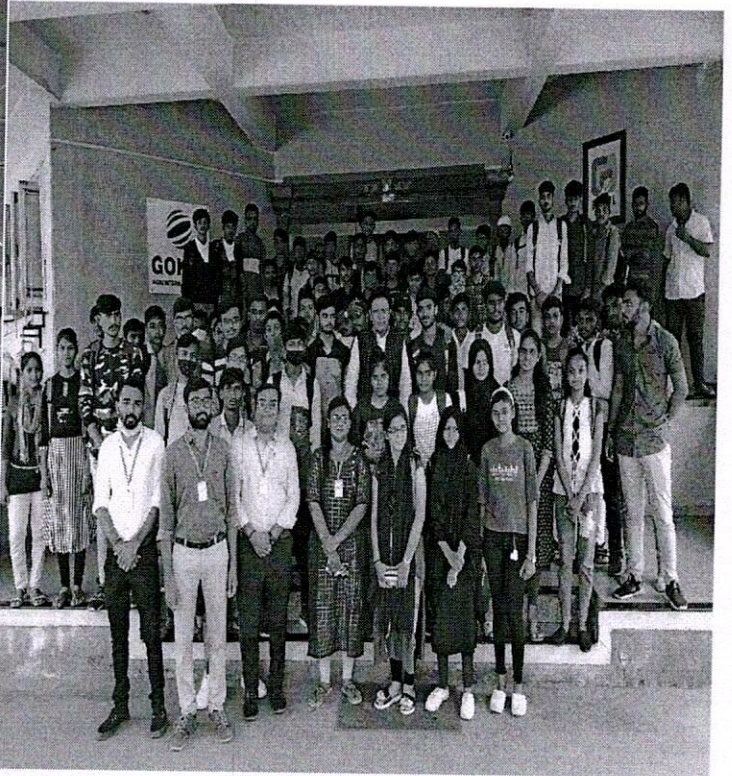

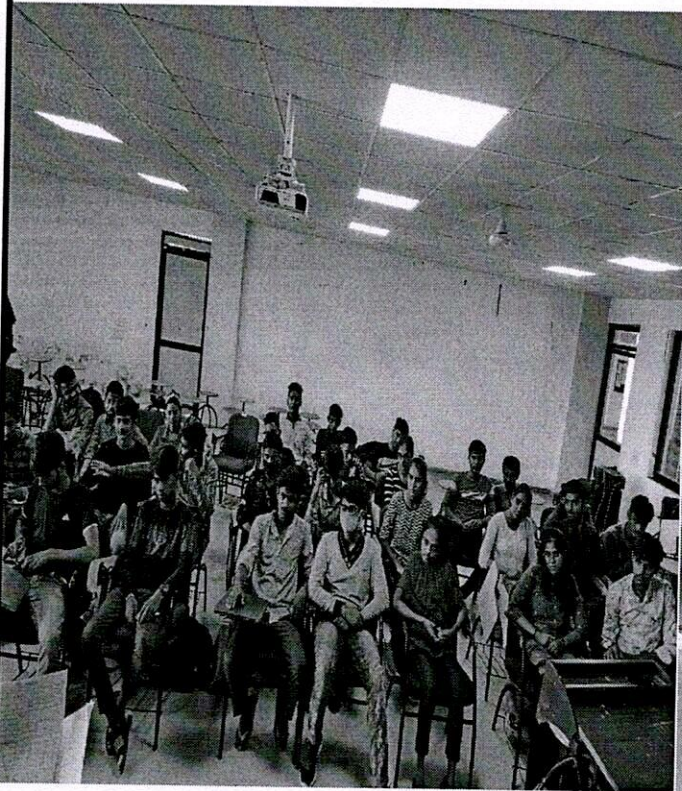

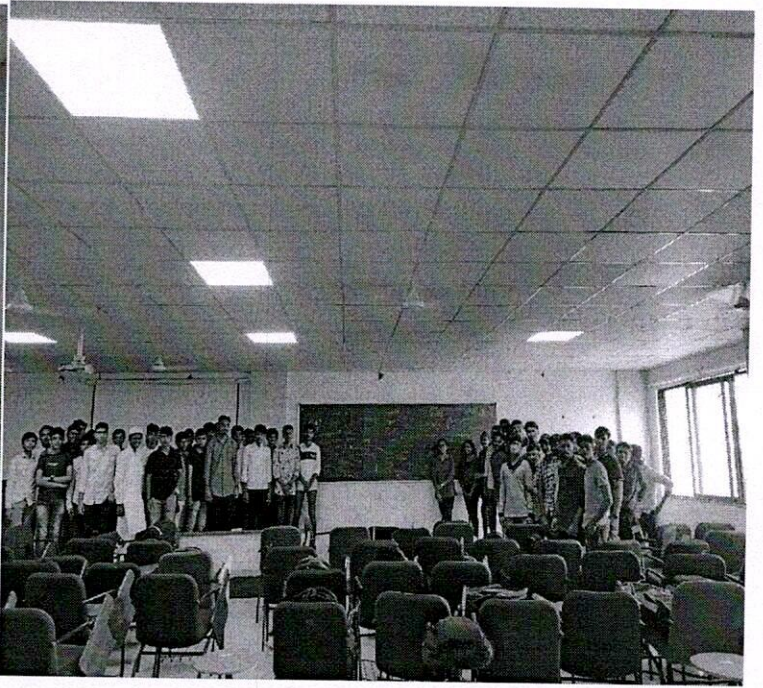

Additionally, a group task event facilitated interaction among students, allowing them to explore varied interests, collaborate on scripts or presentations, fostering camaraderie, understanding, and character development among students and teachers.

## REPORT OF GOKUL PHARMACY COLLEGE

### Induction Program

### “Pharma Fiesta 1.0 ”

13, OCTOBER, 2023

#### Objective:

On October 13, 2023, the Gokul Global University Faculty of Pharmacy hosted the "Pharma Fiesta 1.0" Induction Program. Every new student at Gokul Global University's Siddapur Campus for the academic year 2022–2023 had a great day. Each and every pupil was looking forward to this day, from the moment of his acceptance till his most memorable college experience. The AI induction program was jam-packed with laughing, joy, excitement, and music.

#### Co-ordinator Team:

Mr. Paresh patel

Mr. Tushar gajjar

#### Event Details:

On this day, juniors and seniors get together to celebrate being a member of the college and eventually form a link. Gokul Science College had a welcoming event for students in the Gokul Global University Auditorium, and there was a lot of excitement.

Much as sunshine not only chases out the darkness of the night but also fills our life with benefits and pleasure, light is revered as a holy and prosperous symbol. Prof. Dhara Patel, Prof. Miss Aditi Raval, Principal of Science college Dr. Ritesh Vaidya, Dean, Dr. Jayantbhai Chavda, Vice chancellor Mr. Sunilbhai Joshi, Registrar of Gokul Global University Mr. Hemant Sinh Rajput lit the lamp to mark the beginning of the event.

In addition to being a lot of fun, freshman year is a terrific opportunity to get to know your seniors. There are more chances for you to get to know and bond with your peers outside of the classroom. Freshers' week is a great time to Socialize and decompress during your first few weeks of college. It's a means of expanding one's social circle. It's a strategy for pushing yourself past your comfort zone.

The event was structured in the three categories based on Dancing, Singing, Drama, Stand Up Comedy & the main event Mr. & Ms. Fresher's of GokulPharma Fiesta 1.0. It is said that Lord Ganesha clears the

  
Registrar  
Gokul Global University, Siddapur

obstacles and paves the way for us to move forward in life and when it comes to students of Gokul Global University they never miss a single chance to take such blessings and opening act of Ganesh Vandana dance was performed by student for the same, followed by couple dance, solo dance, dance battle, group dance.

Singing competition was categorized between group impromptu, solo singing and crowd were mesmerized with the amount of talent the students have portrayed with their melodious voice and jankar beats.

Drama doesn't just boost the students' confidence, it develops their communication skills, and makes them stronger people, but it also improves their academic performances. Drama is therefore essential for more successful scores and higher grades.

The act of experiencing a well-crafted joke couples entertainment with instruction in a unique way. Because it is not classified as educational or instructional, stand-up comedy has the potential to convey 57 messages that often cannot be voiced in other ways. And in being genuinely entertaining, it has the ability to reach those who are often not reached by other forms of instruction which was displayed by various students.

The event further entered into its main joyous stage stating the various types of fashion style, clothing based on the theme Mr. and Ms. Fresher's 2022. The participants had three rounds including with elimination. The fashion show was focused majorly, confidence, chemistry with their partners, ability to carry themselves and followed by Q&A.

After completion of fashion show, hosts announced Mr. & Ms. Fresher's 2023 who were awarded by **Ms. Dhara Patel** and **Mr. Paresh Bhai Patel** with Crown.

Such an amazing event could not be even successful without the help of each and every member of student committee and participants. The event was ended with Dance, DJ music and EDM where all the faculty members, students dance to the beats removing all the stress and enjoying pure bliss moment.

#### **Participants:**

B.pharm Sem-I and Sen-III. All the students participated. The students were coordination by Ms. Dhara Patel Assistant Professor in Human Anatomy and Physiology, and Ms. Aditi Raval Assistant Professor in Pharmaceutical chemistry, and Shri Hitesh Tekchandani, Assistant Professor in Chemistry.

## Gokul Science College

### Orientation Report

The first-year BSc students' orientation event, held on July 27, 2022, marked a significant day for newcomers at the college. Dr. Himmatsinh Rajput, the Registrar, graced the seminar room at 10 AM, initiating the session. Prior to its commencement, both students and parents received a guided tour of the college campus, familiarizing themselves with the array of amenities provided for an enriching educational experience.

Dr. Ritesh Vaidya took charge as the session's host, introducing the institution to the eager audience. His presence garnered a warm reception from both students and parents alike. Dr. Kishor Patel introduced the teaching and non-teaching staff, acquainting the attendees with the supportive team behind the college's functioning.

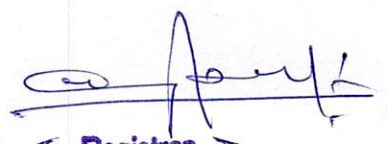

Chetansinh Rathod provided insights into the college's policies and procedures, shedding light on its framework. Ms. Nisha Prajapati stepped in to elucidate the examination guidelines, ensuring clarity for the incoming students. Engaging the audience, Ms. Safiya Vhora delved into the operations of the Student Council, underscoring its significance in the college's ecosystem. Chetansinh Rathod further introduced the NSS and its activities, inviting students to actively participate in the club. Meanwhile, Pranav Patel presented a comprehensive report on the college's sports and NCC activities, encouraging students to partake in these avenues.

Mr. Hitesh Tekchandanci shared a report, acquainting the Parent-Teacher Association (PTA) with the college's ethos and educational approach. Mr. Pranav Patel emphasized the holistic well-being of students, stressing the college's commitment to their physical and mental health through various programs. Ms. Hiral Prajapati highlighted the achievements of former students recognized by the principal and Dr. Kishor Patel, while also discussing the Gokul Alumni Association.

Concluding the event, Ms. Nisha Prajapati extended a heartfelt vote of thanks to all participants. The session culminated with the rendition of the National Anthem, symbolizing the end of the orientation. As the event concluded, students and parents bid adieu, parting ways, equipped with valuable insights and a sense of belonging to the college community.
