ABOUT TRAINING & PLACEMENT

The Environmental Protection Activity is at the front line of environmental protection and controlling. We ensure that environment is protected, and we monitor changes in environmental trends to detect early warning signs of desertion.

Vision:

Equipping the students with relevant and conceptualized professional skills and guiding them towards a bright future and career all around the world with the values of - Sincerity, Hard Work and Justice.

Mission:

- To achieve 100% placement for students through dedication, attitude and complete involvement is our mission. Training and Placement Cell arranges and coordinates various programmes that aim at moulding the students so as to meet the industry expectations in career building and in turn bring laurels to the parent institution. The Training and Placement Cell, guided by a set of rules and principles, strives to maintain good relationship with industries. Preparing the recruitment schedule for the year, inviting corporations for pre-placement talks on the campus followed by final placements, and overseeing the process to its end, is the responsibility of the Training and Placement Cell. The Cell endeavors to carry out successfully all the processes methodically throughout the year.

GOALS AND OBJECTIVES

GOALS:

- To enhance the employability skills among the students to meet out the corporate expectations.
- To improve the industry - institute relationships
- To place all the students in the prospective IT, Management Companies and Industries .
