Gokul Global University came in to existence from the A.Y 2018 – 19 . The University adopted the automated system for examination.

Examination Automation

1. Adoption of e-Governance (online submission of exam application, online registration and payment of exam fee and generation / printing of e-Hall ticket) to operate with Paperless Communication and Cashless Transactions effectively.
2. Pre-Exam Process (including subject entry, student details entry)
3. Post-Exam Process (Result processing)
4. Publication of Results and Post-Result Process (Revaluation etc)
5. Issue of Certificates
6. Report Generation and Preservation of Data

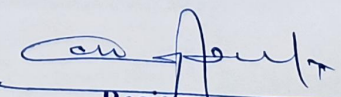

The major modules of the system include the following

1. PRE – EXAMINATION ENTRY (including subject teaching scheme entry , head component entry , manage term , manage exam , exam form generation , seat no.generation , exam block preparation etc.)
2. POST – EXAMINATION ENTRY (including absent student seat no entry , paper marks entry internal exam marks entry etc.)
3. RESULTS
4. MARKSHEETS
5. REPORT GENERATION

The Home screen has direct access to the above main modules for the Students and Staff. The most frequently printed reports such as end examination report , pre examination report can be instantly printed with the General reports Manu..
