

## **CAREER DEVELOPMENT PROGRAMME**

### **ON**

### **“COURSE ON COMPUTER CONCEPTS (CCC)”**

#### **I. INTRODUCTION**

The Course on Computer Concepts (CCC) is a significant initiative by the Indian government to impart computer literacy to the general population. Gokul Global University, under the Faculty of Nursing, organized a CCC program with the aim of integrating essential programming skills and enhancing computer usage knowledge among the participants. The course spans 80 hours annually, encompassing both theoretical and practical components, catering to individuals from various backgrounds.

#### **II. PROGRAM DETAILS**

1. **Objective:** The primary goal of the CCC program is to empower individuals with fundamental computer skills, including typing, sending emails, reading news, online shopping, and navigating social media platforms.
2. **Duration:** The CCC program was conducted over a duration of 80 hours, with 32 hours allocated for theoretical sessions and 48 hours for practical hands-on experience.
3. **Eligibility Criteria:** Participants were required to have successfully completed the 12th grade from any recognized Indian Board.
4. **Participants:** The program targeted students from B.Sc (Nursing) I to IV Years and GNM (General Nursing and Midwifery) I to III Years.
5. **Location and Timing:** The CCC program took place at the Audio-Visual Aids Lab, commencing from 2:00 pm to 3:00 pm.

#### **III. COURSE FACILITATOR**

Mr. Prashant Sarvaiya, an expert in the field, was the facilitator for the CCC program. With a wealth of experience and knowledge, he guided the participants through the intricacies of

computer concepts, ensuring a comprehensive learning experience.

#### **IV. CURRICULUM AND FEE STRUCTURE**

##### **1. Curriculum Breakdown:**

- Theory (32 hours): Covered foundational concepts such as computer architecture, software, and operating systems.
- Practical (48 hours): Hands-on sessions focusing on applying theoretical knowledge, including practical exercises on typing, internet usage, and basic programming.

##### **2. Fee Structure:**

- The participants were required to pay a fee of INR 1600 for the entire course.

#### **V. PARTICIPATION AND ATTENDANCE**

A significant number of students from B.Sc (Nursing) and GNM actively participated in the CCC program. The attendance was monitored throughout the sessions, ensuring that participants gained maximum benefit from the course.

#### **VI. CONCLUSION AND SIGNATURES**

The Course on Computer Concepts (CCC) at Gokul Nursing College served as a commendable initiative towards promoting digital literacy. Participants, under the guidance of Mr. Prashant Sarvaya, acquired practical skills and theoretical knowledge that are crucial in today's technologically driven world.

The Faculty of Science at Gokul Global University marked a vibrant celebration of English Language Day on April 23, 2024, under the efficient coordination of Professor **Kishor Patel**. The event aimed to enhance language and communication skills among students while fostering an appreciation for the English language.

#### Objectives:

- Promoting Language Skills:** Enhancing language proficiency through engaging activities and immersive experiences fostering a deeper connection with the richness of the English language on English day.

2. **Cultural Appreciation:** Cultural Appreciation can be described as a way of honouring another culture through exploration and seeking an understanding as a way to honour that culture, beliefs, and traditions
3. **Presentations:** engaging presentation on English day offer a platform for a sharing insight, stories and perspectives, enriching understanding and appreciation of the languages impact.

**Highlights of the Event:** English Language Day aims to entertain and inform people about the history, culture, and achievements associated with the language.

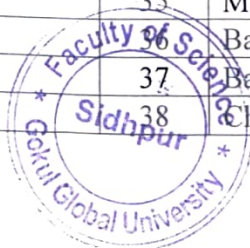

1. **Speaking competition:** On English day, we celebrate words that connect us, painting the word with stories that inspire and unite us all.
2. **Educational Insights:** The celebration also included informative sessions where students learned the power of expression, unlocking new worlds through words and understanding.
3. **Interactive Learning:** These activities aimed set up fun things to do that help you get better at talking and writing in English. Various interactive activities were organized to make the learning experience more enjoyable.

**Participant Involvement:** The student's excitement and involvement made the event successful. They were really engaged in the speaking competition, discussions, interactive sessions, showing how dedicated they are to getting better at language skills.

The English Language Day celebration at Gokul Global University, headed by Dr. Kishor Patel, proved to be a impressive success. It not only met its goal of enhancing language skills and cultural appreciation but also fostered a joyful enthusiastic atmosphere for learning. The event showcased the university's dedication to holistic education and the ongoing improvement of student's skills beyond regular coursework.
